Please be advised that the registered equipment must comply with the Rules for the Control of Nonmetallic Mineral Processing Plants in accordance with IDAPA 58.01.01.790 through 802 (*Rules for the Control of Air Pollution in Idaho*). You can download a copy of the rules by visiting the rules page on the Department's web site at www2.state.id.us/deq.

Other Air Quality Requirements

If your crushing plant is portable, you will be required to submit a portable equipment relocation form each time the plant is moved to a new site of operations. This form is required to be submitted to the Department ten days prior to relocating the equipment. A copy of the form is enclosed for your convenience.

If you have any questions regarding this Permit by Rule process, please contact me at (208) 373-0431.

Sincerely,

Daniel P. Salgado
